## **IMPORTANT SAFEGUARDS**

- When using electrical appliances, basic safety precautions should always be followed including the following:
- Read all instructions.
- Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions or has been damaged in any manner. Return appliance to the nearest authorized service facility for examination, repair or adjustment.
- To protect against fire, electrical shock and injury to persons do not immerse cord, plugs or other live parts in water or other liquid.
- Do not touch hot surfaces.
- Scalding may occur if the lid is removed during the brewing cycles.
- Do not use outdoor. Household use only.
- Close supervision is necessary when any appliance is used keep away from children.
- Do not use appliance for other than intended use.
- Unplug from outlet when not in use and before cleaning. Allow to cool before putting on or taking off parts, and before cleaning the appliance.
- The use of accessory attachments not recommended by the appliance manufacturer may cause injuries.
- Do not let cord hang over edge of table or counter, or touch hot surfaces.
- Do not place on or near a hot gas or electric burner, or in a heated oven.
- Always attach plug to appliance first, then plug cord into the wall outlet. To disconnect, turn any control to "off", then remove plug from wall outlet.

## **IMPORTANT SAFEGUARDS**

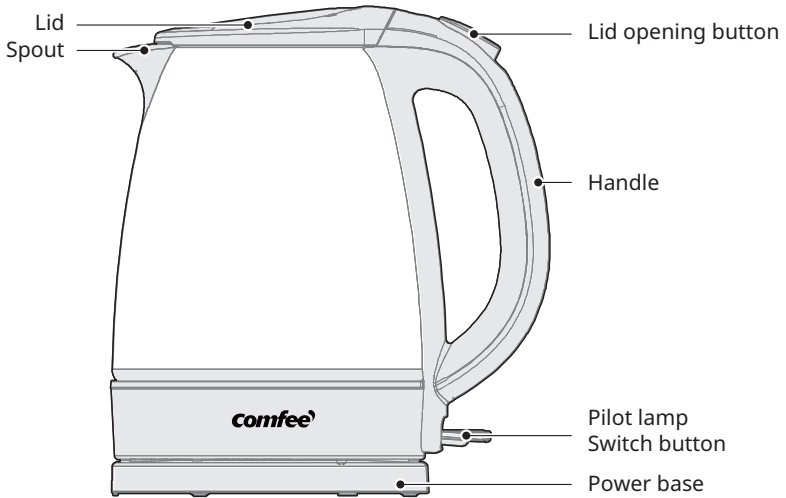

- A short power-supply cord is provided to reduce the risk resulting from becoming entangled in or tripping over a longer cord.
- This appliance has a polarized plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit into a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to modify the plug in any way.
- A short power-supply cord is provided to reduce the risk resulting from becoming entangled in or tripping over a longer cord.
- Longer detachable power-supply cords or extension cords are available and maybe used if care is exercised in their use.
- If a longer detachable power-supply cord or extension cord is used:
  - The marked electrical rating of the cord set or extension cord should be at least as great as the electrical rating of the appliance;
  - The longer cord should be arranged so that it will not drape over the counter top or table top where it can be pulled on by children or tripped over.
- Do not use appliance for other than intended use.

## **QUICK START GUIDE**

For the first time to use or no use for a long time, it is recommended that you fill to the maximum level mark with fresh tap water, boil and empty the kettle at least 2 times to clear kettle of any tiny particles. Do not drink the water.

1. Pull the lid lock on the lid backward, and you can open it.
2. Remove the kettle from the base to the filling place. Fill the kettle with desired amount (no less than the minimum and no more than the maximum) , Put back the lid; place the kettle back on the base unit.
3. Connect the plug into a power outlet (120V,AC), switch the kettle on by pressing the switch. The light will illuminate to indicate the kettle is heating.
4. The kettle will automatically switch off once the water has boiled and the neon light goes off.
5. Lift the kettle from the base, and you can pour out the water into container.

## **CLEANING AND MAINTENANCE**

---

To prolong the kettle's life, please clean the mineral deposits in the kettle regularly. Always unplug from the plug socket and allow to cool down before cleaning. Do not use chemical, steel wool, or abrasive cleaners to clean the outside of the kettle.

1. Fill the kettle with 0.5L white vinegar and the remainder with water and allow to stand for over 1 hours.
2. Empty the kettle. Wipe off with clean and soft cloth.
3. Fill the kettle with clean water, bring to boil and then discard the water. Repeat and the kettle will be ready to use.
4. If necessary, repeat the operations above for several times.
5. Do not immerse into water. The surface of the kettle may be wiped over with a damp cloth and polished with a soft dry cloth.
6. Grasp the top of the scale filter and pull upwards to remove. Wash with clean water and dry thoroughly before replacing in the kettle.

## **1 YEAR LIMITED WARRANTY**

This is the only express warranty for this product and is in lieu of any other warranty or condition. This product is warranted to be free from defects in material and workmanship for a period of one (1) year from the date of original purchase. During this period, your exclusive remedy is repair or replacement of this product or any component found to be defective, at our option; however, you are responsible for all costs associated with returning the product to us and our returning the product or component under this warranty to you. If the product or component is no longer available, we will replace with a similar one of equal or greater value.

This warranty does not cover wear from normal use, and operation doesn't conform with the instruction manuals, or damages to the product resulting from accident, alteration, abuse, or misuse. This warranty extends only to the original consumer purchaser or gift recipient. Keep the original sales receipt, as proof of purchase is required to make a warranty claim. This warranty is void if product is used for other than single-family household use or subjected to any voltage and waveform other than as specified on the label.

We exclude all claims for special, incidental, and consequential damages by breach of express or implied warranty. All liability is limited to amount of the purchase price. Every implied warranty, including any statutory

## **SERVICE AND SUPPORT**

warranty or condition of merchant-ability or fitness for particular purpose, is disclaimed except to the extent prohibited by law, in which case such warranty or condition is limited to the duration of this written warranty. This warranty gives you specific legal rights. You may have other legal rights that vary depending on where you live. Some states or provinces do not allow limitations on implied warranties or special, incidental consequential damages, so the foregoing limitations may not apply to you. Please note that failure to complete and submit this form does not diminish your warranty.
